An Important Announcement from your P & F Committee...

Let us say, that we have thoroughly enjoyed our last 18 months as your P & F representatives. It has been rewarding, fun, hilarious and at times challenging. Due to work, family and life commitments however at the end of this year, it is time for us to pass the baton to a new group.

We thank Virginia Derricott who will be staying on as Treasurer and Gab Perotti for the Gardening Club.

It’s time for a brand new committee with lots of new ideas, enthusiasm and motivation. No experience necessary!

If you’d like to find out more or express your interest, please contact Leonie Young or feel free to approach Narelle or Lisa to discuss.

Fundraising Target 2016
Our fundraising target this year is $12,000.
The money raised by P&F this year will be put towards school funds for synthetic grass to upgrade the Oval area after the completion of the building works.
You may notice, this year, our target is modest in comparison to last year. The Major Fundraising this year falls to the Fete.

Did you know? - The Parents & Friends Association and the Parish Fete are separate entities run by separate committees. The proceeds of the Fete benefit both the Parish and the School, whilst the P&F fundraising results are used for a dedicated school project that is chosen at the commencement of each new year.
